“ God saw that he was getting tired, a cure was not to be. so He put His arms around him and whispered " Come to Me". With tearful eyes, we watched him suffer, and saw him fade away. although we loved him dearly, we could not make him stay. A golden heart has stopped beating. Hard working hands to rest. God broke our hearts to prove to us He only takes "The Best".

“ Papa you will be missed beyond what words can say. I'll always see you when I look at my son's face and see that Dodson chin and in his hands when he's grown. My momma says they're just like yours. I hope they are full of love and hard work like yours were too.

*The world will be less without that booming laugh of yours but we will never forget it.*
