“ My sweet friend gained her Angel Wings yesterday! Boy, is Heaven in for some fun times! Ann is one of the most fun persons I have ever had the pleasure to know. I'm so sorry to see her go, but so very happy that Heaven was waiting for such a person as Ann! We had a lot of good times back in the day! Ann was one who was always ready to take road trips, travel, or do get together with her family and friends. My condolences to the family!
