“ What a beautiful lady who stood tall and elegant. A beautiful smile and a beautiful person all around. Thank you Anna for sharing your spirit with the Village at Oakwood. Blessed be the freedom of your spirit.

In the words of one of my favorite singer, these next few lines are for you ANNA:

Lyrics by Daley: Song- The Fabric

Within the threads of our lives

Woven your magic, through your absence you will guide.

Still no less tragic we have to say goodbye.

And still we grieve, and still, we cry.

But in the long run, we'll be alright.

This is just one test, we have to try.

And when it's all done, we'll meet again.

And we'll be one in the fabric.

Yeah, we'll live on in the fabric.
