“*If I have seen further than others, it is by standing upon the shoulders of giants.” Bert Lamb was one of those gentle giants that helped all of us see further into the eternities. I have no doubt that he is continuing that same quest on the other side. Stay busy, my friend. Until we meet again. Amy Nye and family.*

“*Hi, I'm so sorry to hear about Bert. He was my favorite 1st cousin. As a child I spent alot of happy days with his family at Aunt Opals house. Up Santaquin canyon camping and at home riding horses. He is the same age as my oldest brother Bob. Ken was my next brother, he passed away 10 years ago from cancer. Penny and Judy are the same age and still she lives in mom's house in Santaquin. Debbie and myself are same age and spent days together when growing up. When Laurie was born we both loved her to pieces . How times fly. Been years since we've seen each other. Your all in our prayers. Love from the Greenhalgh cousins*
