

## Betty Elaine Maxon

July 6, 1964 - January 25, 2025

Betty Maxon, age 60, entered into Heaven's gates on January 25, 2025. Betty Elaine Maxon was born on July 6, 1964 in Phoenix, Arizona, the 5th of 9 children born to Ausbey J.D. Maxon and Betty Louise (Mayo) Maxon. The Maxon family moved to California for a short time, and then to Tribbey, Oklahoma when Betty was eight years old, which is where she was primarily raised. She attended school at Wanette up until the 10th grade, and she later obtained her GED at Franklin Virtual high school. Betty was a very loving and caring mother and wife, which is what fueled her passion to begin working in the medical field. She primarily worked in the home health setting as a caregiver, and she truly devoted her best care and attention to every single patient she encountered. Betty had a true gift and ability to connect with people! She later worked for Cracker Barrel in Norman as a store manager, which is where she spent the last 15 years, and where she was currently employed. One of her greatest accomplishments in life was becoming the proud mother to her three sons- Dustan, Joe, and Jacob. Together, they shared countless memories that will forever be cherished. In her free time, Betty enjoyed reading and playing Animal Crossing on her Nintendo switch. She also loved working on crafts and refurbishing dressers, benches and other older furniture! More than anything, Betty was a family woman. She loved spending time with her children, and especially her grandchildren. Nothing made her happier than the day she became a grandmother! Betty had a heart of gold and she truly was a one-of-a-kind woman. She will be dearly

missed by all who knew and loved her!

She was preceded in death by: her parents, Ausbey and Betty Maxon, and her brother, David Maxon.

Betty is survived by: her three sons, Dustan Vestle and significant other Jaakie Ho of Moore, Joe Vestle and wife Melissa of McLoud, and Jacob McWhirter and wife Mikayla of Lexington; brothers, Mark Maxon of Lexington, Danny Maxon of Lexington, Johnny Maxon of Tecumseh, and Walter Maxon and wife Dolores of Moore; sisters, Debbie Scott and husband Danny of Little Axe, Tina Potemra and husband Steve of Purcell, and Sandy Holley of Noble; 4 grandchildren, Kaytlynn Vestle, Haydrien, Nykola, and Bear McWhirter; 2 cats, Gizmo and Rayna; several nieces, nephews, cousins, and a host of other family and friends.

“ *Betty was the manager that hired me at Cracker Barrel, and I'll never forget, she asked me one question and then said "I like you, I'm gonna hire you!". The rest is history. Betty was the manager you went to when you needed a smile, some advice, or even something to snack on. Being in college and away from my family, I always knew I could count on her to have my back.*

*Man, despite how difficult this current time is, I have a feeling she wouldn't want us to be upset. I will never ever forget that laugh of hers. My heart goes out to the family & my Norman CB people!*
