

## Billy Joe Gannon III

July 7, 1982 - September 1, 2017

Billy was a free spirit. Anybody who knew Billy knows he was far from a saint, But his heart was made of gold. As we all know not everyone makes the "right" decisions all through life, but even through his darkest times, his smile was as bright as a shining star in the dark sky, contagious! Billy was crazy and could drive you crazy, and push any and every button, but Lord knows you couldn't stay mad for long. His love was distant but was as strong as ever when he wanted you to know. Billy will be missed by so many. A love and smile, lost and missed, but never forgotten.
