

Brenda Finnell-Davis

April 16, 1953 - June 20, 2025

Brenda Finnell Davis passed away June 20, 2025 after a short illness. Her passing allowed four people to live on through organ and tissue donation. Born April 16, 1953 in Duncan to the late Jay and Mary Finnell of Comanche Oklahoma. She graduated from Comanche High School then went on to receive a bachelor's degree in Social Studies from the University of Central Oklahoma.

After graduation, she worked at Southwestern Bell before starting a career in Oklahoma City radio in sales. She worked at KXXY and The Twister Radio stations before moving to New Orleans in 1990 to work for WNOE country radio, then WNOL-TV.

Then moving to Nashville, Tenn., in 2000, she worked as an account executive at WSMV NBC and WTVF CBS from 2003-2007. She was a senior account executive director at Moore Media and AUTOFLYTE from 2009 until her death.

As part of her many jobs, Brenda had many friends and brushed shoulders with many of today's country music stars. She had so many stories. The most important thing to her though was being a role model and helping people. When Brenda loved, she did it with her whole heart. She especially loved her family, friends and her dogs. Her love for nature and travel kept her busy

taking little adventures, because to her every day was an opportunity to go somewhere new. She moved back to Duncan earlier this year to be closer to family. Brenda's spirit will live on in all of us in different ways as she soars with the eagles.

Survivors include sisters Wendy Mangum, Kathy Finnell and Karla Finnell; nieces Misty Davis and Mandy Green; nephews Jason Mangum, Tristan DeYoung and Taner Davis, grand nephews and nieces Colton Davis, Ethan Kaiser, Jesse Greene, Elizabeth & Avery Mangum and family Paulette and Shannon Davis.

A memorial service will be held at Hidden Creek Event Center, 21007 E Highway 7, Duncan

“ *Brenda and I known each other and have been friends over 20 years. We worked together at WTVF and Moore Media and have kept in touch since I moved to WKRN. We recently saw each other in May 2025 for coffee. Little did I know it would be the last. She always was so intuitive and a good judge of character along with being funny, sweet and smart. I do miss her dearly...my thoughts and prayers to her family.*

“ *Brenda and I grew up together as little girls. Spent the night at each other's home many times growing up. We were good friends all through high school. She got me through algebra! We let years after high school get away from us. Never take for granted your time here on earth. She was a great friend. She will will be missed*

“ A picture of one of the times I went to visit Brenda in Nashville. I have too many memories to even think about sharing. She was my best friend for over 50 years. I love her and I miss her so much. It's not fair, and I want her back! Sorry, I am still in my angry phase of grief. I will always smile when I think of her though ☹️💔
