

Bryan Lee Jenkins

June 11, 1962 - March 20, 2026

Bryan Lee Jenkins, 63, of Goldsby, Oklahoma, was delivered into the arms of his Heavenly Father on Friday, March 20, 2026. Bryan was born on Monday, June 11, 1962, at Fort Stewart Army Base in Georgia to Robert Lee (Bob) and Robbie Jean Jenkins. He attended Norman Public Schools, where he participated in 4-H and FFA, serving as FFA president his senior year. Soon after graduation, he joined the volunteer fire department, and his servant's heart kept him there for several decades. He married his wife, Sandra, in June 1986 on a typical Friday the 13th. Together, they enjoyed raising their three beautiful children and traveling—mostly within driving distance. Bryan farmed with his parents and worked for Masters Mechanical before beginning his long career with the Cleveland County Fairgrounds in 1987. There, he brought an unparalleled level of passion, commitment, and steady leadership. Bryan worked hard in all aspects of his life, whether in his career or hobbies. He loved farming with his family and was looking forward to harvesting wheat this summer—“combine, combine, combine.” He was an active member of the Canadian Rivers Old Iron Club and enjoyed pulling his Allis-Chalmers tractors with his wife and friends on weekends. Bryan loved Goldsby Baptist Church, where he was a familiar, friendly face, greeting others and helping with donuts and coffee on Sunday mornings. His greatest pride and joy, however, was his family. From monthly birthday parties to spontaneous ice cream dates, he never missed an opportunity to spend time with his favorite people. Whenever help was needed, Bryan was just a phone call away—whether it was letting

the dog out, mowing the lawn, or building a fence, he always showed up. He treated his brothers at the Goldsby Fire Department the same way. Though he was quick to tease and joke with them, he loved and trusted them deeply. Bryan is survived by his wife, Sandra "Sandy" Jenkins, of the home; daughter Brittany Jenkins and her daughter Emma of Norman; daughter Brandy Jenkins and Michael Tagmir, with children Aubry and Joel, of Norman; son Brenton Jenkins and his wife Jordan, with children Baylee and Beckett, of Middleberg; and bonus daughter Erin Seapy of Edmond. He is also survived by his parents, Robert and Robbie Jenkins of Goldsby; sisters Carol and Marvin, Lorie and Greg, and Charlotte and Joe; brother Robert (Earl) and Jennifer; nieces and nephews Mitchell and Kasey, Matthew, Brandon and Renee, Michelle and Adam, Ashlee, Abigail, and Tyler; along with countless extended family members and friends whom he cherished. He was preceded in death by his mother- and father-in-law, Charles and Joyce Coles of Noble. Services will be held Wednesday, March 25, at 10:00 a.m. at Goldsby Baptist Church. In lieu of flowers, the family requests that donations be made to the Goldsby Fire Department or Goldsby Baptist Church.

“ Sandy, you and your family are in our thoughts and prayers and we send you our deepest condolences. Bryan was a truly good and Godly man with a servants heart. I’ve known him as long as I can remember, I worked for him in highschool as maintenance at the fairgrounds in the summer, my Dad and Uncle worked with him through various projects at the fairgrounds where District 1 & 2 assisted, my husband and I grew up showing at the fairgrounds and now my kids are as well. There has not been a time that I can remember that Bryan hasn’t been there. There has never been a time that I went to the fairgrounds that he didn’t stop to visit and always greeted me with “Hey now there’s trouble”. He always asked about my family and told me stories about his. His love for his family and friends was evident in everything he said and did. He was a very good friend to me and my family. His support of my kids and all the rest of the kids in 4-H and FFA is immeasurable and will be greatly missed. His loss is tremendous and profound for so many. The impact he made in his life on everyone around him is a testament to who he was and what a legacy he leaves behind. He will be truly missed.

“ I've known Bryan my whole life. He was friends with my Dad and Uncle Paul and I grew up knowing him. He hired me in highschool in the summer to work maintenance at the fairgrounds. He was so kind and good to my family, my husband and kids. There has never been a time that I've gone to the fairgrounds that he didn't stop what he was doing and say "Hey now theres trouble" smile and stop and visit. He always asked how my family was, told me stories of his and when i started doing the petting zoo at the county fair he was so supportive and encouraging. Through late night visits at the fair, to running into him in the office or event or out in public he never once failed to stop and talk. He loved his family and had so much pride in all of them, loved old tractors, fighting fires, supporting 4-H and FFA kids, helping in the community and he loved God. He always was kind and caring and always smiling and joking. The fairgrounds, the fair and life just won't ever be the same. He will be so missed by so many. He has left such an impact on so many and really a legacy to be proud of. Our thoughts and prayers and deepest condolences are with his family, friends, fellow first responders, and everyone who knew and loved him.

“ *I've known Bryan since he was about three or four years old. My husband, Sid, met Bob when Bob worked at Riverside Tractor. Our families became really good friends and we visited very often. We made lots of ice cream and had many, many weiner roasts for several years. Bryan became like one of my children. He was always so nice and fun to be around. I'll miss seeing his sweet smiling face.*

We met Bryan and Sandy through the tractor club at the fairgrounds. There was never a more dedicated and harder working man, juggling between his duties as fairgrounds manager and during the fair, making sure the tractor pulls went smoothly. Many nights of little or no sleep during the county fair. His mobile phone constantly asking for decisions which he always took in stride. An amazing quality from an amazing man. Rest in Gods peace, my friend.

Bryan was a friend to me and so many that frequented the fairgrounds. He was an amazing help when I served as president of Cleveland County OHCE and he was always there with that smile and wit. I will miss him so much and the fairgrounds will be so different without him. What a legacy he has left with us all.
