“ Carla, I can truthfully say I'll miss you as much as I've loved you over these many years. Your kindness and caring heart for all of us. We were all family to you and could make any one of us feel special. You listened to our problems and you laughed with us. You may be gone but you're not really. You're in my heart and you'll always be a part of me. Say hi to everyone. I'm sure you're getting to catch up on a lot of visits with your family and friends you've missed for so long. Goodbye now, sweetheart, I'll always love you

“ Carla was caring, loving and thoughtful. She was always sharing her garden veggies with us and others. I am glad I got to visit with her a couple of weeks before her passing. Me and my kids Danny and Dana held her hand and prayed with her. I will cherish our visit. I love you Carla.
