“ I was sorry to hear of Chandler's passing. My daughter Isabella Cruz went to elementary school in Purcell with Chandler. I remember taking Bella to a birthday party Chandler was having @ Perfect Swing in Norman. I think it was back in 2004 or 2005. She was just so excited to be going to her 1st birthday party with a classmate. Chandler was a very sweet boy. I will keep you and your family in my prayers.

“ I grew up with Chandler in my class at Wayne school and in band. He was such a talented person, musically and creatively. He would doodle the Little Miss Sunshine character for me all the time in elementary school. His perfect pitch amazed me and many others. Prayers for his family, he will be very missed.

“ Chandler attended elementary, junior high and then graduated @Wayne High School with my son Brady. All of my memories of him make me smile. He was always smart, respectful, kind and caring. His love for cartoon art shined bright thru his talent. Quiet natured as he was, there was always a glimmer of his sense of humor. He brought his own special light to the world and he will be missed. Praying God and your precious memories of Chandler will bring you comfort in the days to come.
