“ *Cliff was a cute little blond hair boy whose mom and dad ran the Penner's Grocery store for years on the corner of Roper Road and Hwy 59 east of Wayne, OK. I thought he was the cutest little blond hair boy in the world. We lived only a mile south of them. I was FB friends with me and I soon realized he was not doing too well. My mother loved his mom so much...it was a wonderful time in my life to know them all. May the family feel the comforting hand of our Heavenly Father during this time.*
