“ I could really go for a coffee date/ride around the lake listening to Dion, duetting Dolly and Porter, and hearing you sing Randy Travis so beautifully. I think about you and still talk about you everyday. Rebekah wouldn't be the person she is if there weren't a Clowis. Love you forever and ever amen, Papa.

“ *I am so sorry for your loss! I loved Clowis. He took care of me all my days at Purcell. Drove most all of our basketball games for the 19 years I was coach there! He loved to drive us and was one of our very best fans. I will miss him but will never forget him. The greatest thing was that Clowis was strong in the faith and a member of Christ's church.*
