“ I am Chee Chee's 2nd Cousin. Her mother was my Dad's Aunt and growing up in Oklahoma I would spend lots of time with her and Aunt Juanita. Chee Chee taught me how to do Cross Stitch and I always loved being at their house in Purcell. Chee Chee had tons of dolls and I would play with them all the time. She was kinda like a big Sister to me. We lost touch as we grew older but at least every couple of years I would look her up and we would talk sometimes for hours on the phone. I just happen to look her up again and see that she has passed away.

R.I.P. Chee Chee and fly high. 🥹❤️
