December 20, 1994 - September 23, 2020

Dakota James Garst, age 25 of Indianahoma, passed away Wednesday, September 23, 2020. Dakota was born December 20, 1994 in Okla. City, OK, the younger of two sons born to Monty Dean Garst and Judith Karroline (Basham) Garst. Dakota spent most of his childhood in Kansas where he attended school. He worked some odd jobs, but mainly farm labor. Dakota was very much a free spirit. He traveled a lot and was always seeking adventure. One of these adventures led him to Pamela (Lomax) Bradley. They fell in love and were married on January 26, 2018 in Broken Arrow, OK. They first made their home in Midwest City, later settling in Indianahoma. When he wasn't working, you would probably find Dakota mudding, or sitting at his favorite fishing hole. He loved classic trucks, and in particular Chevy and Dodge, and his absolute favorite was a 1966 Chevy. Dakota cherished his family and especially his grandbabies. Dakota truly had a servant's heart, always looking to help others, and he was the most genuine person. He was a loving husband, son and PePaw. He will be dearly missed!
