“ I attended High School with David, and in FFA together. I remember the incident where he was given the nickname of Speedy, by Mr. Rucker, our Ag Teacher. After High School we shared a rent house together and ran around a lot. After I left Moore to join the Marines we lost contact and grew apart. The last time I saw him was in 2018, we met for breakfast when I was in town. Was really pleased with the version of him I saw in 2018!

Sorry to hear of his death, you were a good friend at one time. RIP Speedy! Spoons
