“ I am a member of the Tulsa Walking Club and that's how I knew Dorothy. When we started traveling for walks and people found out where we were from they always asked if we knew Dorothy Brown. She was legendary in our walking community. She was our go to person whenever we had a question about the club, a walk or our organization. I have several fond memories of her. When we would walk on New Year's Day she would give everyone a can of black eyed peas for good luck. Our walk price was \$2 so Dorothy would have her 2 dollar bill ready. She also handed out cards with all the US coins attached and she loved to hand out the little solar dancing characters. She was a giver and she will be greatly missed!

“ I'm so sad to hear about Dorothy's passing. She was an important part of so many people's lives. We called her "The Ambassador of Tulsa Walking Club!" There wasn't a walker she didn't know and offered information about the club. I've learned from the BEST! Everything I know about AVA, "America's Walking Club", I learned from Dorothy. I will truly miss her.
