“ *The Love Family would like to express our most heartfelt condolences to our nieces, nephews, and cousins. We are not there today in proximity but we are all on the same page. The Bullock Family Matriarch devoted her life to serving both God and her family. God's words that are written in Matthew 5:4: Blessed are those who mourn, for the shall be comforted*

“ *Sis. Bullock you not drive. You walked just about every where in the many days that you could. You can now walk again. And what a beautiful place that you will be walking with streets paved of gold. You have now taken flight to the most beautiful place of all. You have earned a heavenly crown that you so deserved. Now you are going to look so beautiful as you are wearing your crown with your beautiful smile when you Walk Around Heaven All Day. I love you Sis. Bullock.*

“ *Cousin Edna....whom I've always considered and sometimes called Aunt Edna, always knew just what to say. She has always had that loving smile and warm embrace. Cousin Edna told me that I needed to write a book. She said that it was how I used words in the cards that I make. Plus she was a writer herself! Edna my angel, I'm going to write that book. As you take your place with the stars, I will look to you for guidance. My love for you is eternal. Always Kaven*
