

## Freddie Jene Hubble

February 8, 1948 - August 6, 2023

Fred Hubble, age 75, of Tuttle passed away on August 6, 2023. Freddie Jene Hubble was born on February 8, 1948 in Seminole, Oklahoma, the 5th out of 6 children born to Melvin Alfred Hubble and Ruby Estella (Peltier) Hubble. Due to his father's career in the oil field, he spent the majority of his younger years in Roundup, Montana. Eventually, the Hubble family decided to settle down in Purcell, Oklahoma. He attended Purcell High School and graduated with the Dragon Class of 1966. One of his biggest accomplishments in life was becoming a proud father to his three beautiful children- Mark, Ron, and Melanie. They shared countless memories that will forever be cherished. Fred was an adventurous man who lived in several different places, including: Michigan and Anchorage, Alaska, Alvin, Texas and Lake Charles, Louisiana, and Norman and Prague, Oklahoma. He worked in the construction industry for several years, later as a pipe inspector, and more recently as a wholesale distributor. He truly was a jack of all trades. In May of 1992, he met a young lady named, Marsha Ann Emery. The two quickly fell in love and were married on July 3, 1993. The rest, as they say, is history. Fred enjoyed anything outdoors from hunting and fishing, to golfing. He loved it all. He could be ornery at times, but deep down he was just a big teddy bear. He had a colorful personality and language, and was the best storyteller. More than anything, Fred was a family man. He loved spending time with his family, especially his grandchildren. He was always extremely generous with his time and gifts, and would do just about anything to make them smile. He truly cherished every

moment with them, especially attending their sports and activities. He will be dearly missed!

He was preceded in death by: his parents, Melvin and Ruby Hubble; sister, Revena Robson; brothers, Alfred Hubble, Harold Hubble, and Jerry Hubble. Fred is survived by: his loving wife, Marsha Hubble of Tuttle; his daughter, Melanie Smith (Michael) of Tuttle; sons, Mark Hubble of Whittier, North Carolina, Ronnie Hubble (Kristi) of Newcastle, Kwinsi McKee (Kris) of Norman, and Reed Shelton of Tuttle; brother, Dennis Hubble (Virginia) of Oklahoma City; 10 grandchildren, Kieran, Logan, Bryan, Easton, Aiden, Cale, Kennedy, Magnus, Ella, and Ryder, 2 great-grandchildren, several nieces and nephews, and a host of other family and friends.

Graveside Services are scheduled for 10:00 A.M. Thursday, August 10, 2023 at Hillside Cemetery. [www.wilsonlittle.com](http://www.wilsonlittle.com)

“ *I ll never forget Fred. The first time I met him, Not knowing him he said to me Coach how many errors does your 3rd basemen have to make before you pull him? I said he is having a rough day. By the way who are you here watching? Fred said 3rd basemen is my Grandson.  
I have loved that man ever since that day.*

“ *i'm so sorry , this is a huge loss of .  
funny story about fred and my dad jerry. I remember one time when he was living in those apartments off Lindsey Street in Norman. It had just snowed. And we came to visit him and him and my dad got this genius idea to pull us in a laundry basket with a four wheeler through parking lot. well they loved it torture us so they drove really fast and the rope broke, and we went flying through the parking lot in a laundry basket, headed straight for perked cars. by the grace of god we flew under a jacked up truck and almost got our heads chopped off. it was so much fun. I think we laughed until we cried.  
We were like, do it again do it again and they said no. fun memory!*
