

Gilbert Lawson Hall

August 30, 1949 - August 11, 2012

Gilbert Lawson Hall age 62, left this life for a better place, Saturday, August 11, 2012. He was born in San Juan, Texas on August 30, 1949 to Gilbert Hall and Ara Leola (Dobbs) Hall. Lawson's family moved to Oklahoma City where he attended and graduated from Grant High School in May of 1968. One month later he was baptized into the General Assembly and Church of the Firstborn by brother Bill Dobbs. Lawson married the love of his life, Louise Graham on December 22, 1969. From this union they had four children; daughter, Dana and sons, Brandon, Trenton and Ruston. Lawson worked at Seagate as an Automated Robot Technician and Specialist for 26 years. His level of experience was also valued for extensive troubleshooting projects in several other departments. Because of his hard work and knowledge, Lawson received numerous awards for his outstanding technical performance. In an effort to further support his family, Lawson expanded his father's plumbing business into "Hall's Heat and Air" business. He owned and operated this business for 31 years before retiring. Today much of his knowledge on heating and air conditioning has been passed down to his children. Lawson loved to travel with his family and enjoyed taking pictures of the beautiful scenery on trips to Colorado, Hawaii, Cozumel and many other places. He also loved snapping photos of the brethren at church gatherings. And while he visited with friends both old and new he never had a loss for words, laughing all the while!
