

## Greg Dixon

December 16, 1966 - November 17, 2024

Greg Dixon, age 57, of Norman passed away peacefully on November 17, 2024. Gregory Ben Dixon was born on December 16, 1966 in Muskogee, Oklahoma, one of three children born to Leon Benjamin Dixon and Barbara Elouise (Williams) Dixon. He was primarily raised in Checotah, Oklahoma where he attended school and graduated with the Wildcat Class of 1985. From there, Greg continued his educational and athletic career at the University of Oklahoma. During his undergraduate studies, Greg was a member of the OU football team, achieving three conference championships and one national title, and he lettered all four years. He graduated with a Bachelor's degree in Business Administration and later earned his Juris Doctorate in 1994 from the University of Oklahoma College of Law. Greg was driven, dedicated, and passionate about his profession. With experience in both public and civil litigation, he was elected in 2011 as District Judge for Cleveland, McClain, and Garvin counties, where he also served as a Supervising District Judge for McClain and Garvin counties. Greg was grateful for his four years on the bench that equipped him with extensive knowledge and experiences. He eventually returned to private practice law, and became partners at Nichols Dixon Law. Although his list of accomplishments and accolades could fill the page, Greg's greatest passion was reserved for his family. He enjoyed cooking and grilling, and hosting family get-togethers and was known to be an incredibly talented carpenter and craftsman; he was the designated handy man! Greg was a man of great faith, and it was his faith in

Jesus that carried him through life's trials and adversities. He led multiple bible studies throughout the years, and one more recently called, Stand Ministry. He also served on various ministry boards and participated in many organizations and clubs, such as Sooner brotherhood, Rotary, and the Chamber of Commerce. He truly had a servant's heart. Greg lived his life consistently, humbly, and boldly walking with Jesus. He was fun-loving, generous, and extremely caring in nature. He truly was the lifeblood of the family. Greg was a loving and devoted husband, father, grandfather, brother, and a true friend. He will be dearly missed!

He was preceded in death by: his father, Leon Dixon.

Greg is survived by: his loving wife Gina Dixon of the home; son, Elijah Ben Dixon of Norman; daughters, Jordan Dale Terry and husband Kyle of Washington and Hannah Lynn Treadaway and husband Isaac of Washington; mother, Barbara Dixon of Checotah; sister, Tina Swayze and husband Jerry of Purcell; brother, Dru Dixon and wife Kelli of Talala; 4 grandchildren, Mia and Griffin Terry, and Lottie and Shepherd Treadaway, several nieces, nephews, cousins, and a host of other family and friends.

If you wish to make donations, please make them to Susie Peters, Greg's dear friend who is battling cancer.

Funeral Services are scheduled for 10:00 A.M. Friday November 22, 2024 at Crosspointe Church in Norman. Burial will follow at Hillside Cemetery in Purcell. [www.wilsonlittle.com](http://www.wilsonlittle.com)

“ I met Greg when he presided as judge for a client's case in Garvin County. He impressed me as being fair, honorable, and considerate. I'm praying for Greg's family during this difficult time. May God bless them and give them peace.

“ I had met Greg when he served as assistant prosecutor. In fact I defended a McClain County criminal defendant in a jury trial in Purcell which Greg prosecuted along with a fine young lady that now serves as jurist. I think Greg told me that was his first jury trial.

*In his all dealings, Greg was firm but fair.*

*We later had some private conversations in which he spoke about extreme medical situation of a child in his family.*

*He accepted my offer to privately pray together.*

*My wife and I had raised three sons who eventually all became lawyers. One of them gave eye witness testimony in the jury trial mentioned above.*

*As I told war stories about criminal jury trials to my sons, I tended to hold Greg Dixon up as a worthy role model.*

*By the way, in one of my visits with him I was surprised to see his OU football regalia displayed, but not too prominently in his office. It struck me how he modestly had not even mentioned his athletic fame until I asked about it and he quickly changed the subject.*

*Later in life my wife and I adopted twin sons with custody at birth. A few years later we adopted a girl at birth.*

*Since it was not appropriate to serve as lawyer in our family adoptions I hired lawyers for those proceedings.*

*I chose Greg Dixon to serve as lawyer for my family in one those cases and he was presiding judge in another of our family adoption cases.*

*Out of hundreds of lawyers I've worked with and/or against, none impressed me more with his modesty and other personal and*

*spiritual values than our lost brother . . . Mr. Greg Dixon.*

*PS: He would have been thrilled with the OU / Alabama upset yesterday!*

“*Greg was my cousin and a friend. We had the best time when we were younger. All of us, Greg, Dru, and Tina as well as myself and my sisters. We would go camping at Belle Starre. Then we had the family reunions at Fountainhead Resort. We can't forget Grandpa Druie's birthday. Greg was always such a positive presence. He was always happy and always quick to smile. I can honestly say that I don't remember him ever being in a bad mood. Greg was just like a brother to me, I regret all the time that came between us lately. Between all of us; Tina & Drew. There will be a hole that can never be filled that he has left. But he is pain free and with some other really good men and women that will be glad to take care of him from here. I love you cousin, I'll see you soon!*”

“ Greg and I met in college and went to church together for a number of years. Whereas my sadness in his passing will continue, I do have vivid joyful memories and the comfort that he is with Jesus in heaven. Greg was a friend, my attorney, we purchased land together, and worshipped together. I don't think I've ever met a more authentic, faithful, loyal, and trustworthy man. He was strong and tough, but gentle and always sensible. God's blessing was evident in every aspect of his life. My admiration for Greg Dixon will never fade. He was a real man in every sense, and clearly the most real men love Jesus.

“ Greg was an amazing man, who was always there for me when I needed him! He was a champion for what was good and right in the world. Will never forget when he went out of his way and made time to speak truth, hope, courage, and responsibility into my son Zane’s life while he was going through a rough time figuring out what it is to be a good man. Couldn’t ask for a more genuine and inspiring friend, you are missed brother, but I will see you again.

“ Greg and I worked several cases against each other and also a few aligned with one another and it never failed no matter which situation it was, we always got to share a friendly hug and handshake or high five no matter what each time we saw each other in the case, and he always brought out the right side of everyone and especially me. I will miss him and cherish the experiences and friendship we shared, which was an extension of the friendship my father had with him. He was a great lawyer and a better person loved by all. - Sam Talley

“ I met Judge Greg Dixon shortly after he became the District Judge in Garvin and McClain counties. We became good friends and remained so even after I retired in 2013. He was remarkably intelligent and always displayed exemplary judicial temperament. More importantly he was a dedicated family man who was proud of each and every member of his family. Young lawyers and judges would do well to emulate the integrity and work ethic of Greg Dixon. Our friendship was relatively short but I am so very blessed that I befriended such an outstanding colleague. Rest in eternal peace my fine friend.

“ Greg excelled at everything he attempted. As a student, athlete, attorney, and community leader. But he shined the brightest as a Christian family man and friend. The Hamilton family will greatly miss you my friend. Mrs. Dixon and family we pray that you can draw comfort in knowing Greg now enjoys the eternal life that Jesus Christ provides.
