“ Hi Dad; 😞  
Here is the photo of my new Wife [PJ an I], on our [1-year] Wedding Anniversary that was on [February.2020].  
As u know, we were happiLy Married [February.13th.2019].  
I wish that u could have met [PJ ] in person, before u passed away.  
She's so awesome!  
We miss talking 2 u over the phone, as we did so many times.

I miss, the times we had together in person before I moved away 4 work, an I will miss u always and ask that u forgive me 4 not being able 2 be there, when u were going through this recent illness, as I did not have the money or the means of transportation 2 get there and had 2 work as we short staffed.

I Sure miss just being able to pick up the phone and call u whenever I just need to hear ur comforting voice and loving advice.

We will both remember the special relationship, we each had with u and that u were very accepting of PJ, even without meeting her in person.

Loves Hugs an Kisses From both PJ an I.
