

## Harold Paul Beller

November 3, 1959 - March 21, 2024

Harold Paul Beller, age 64 of Washington, passed away peacefully March 21, 2024, surrounded by his family. Harold was born November 3, 1959 in Oklahoma City, Oklahoma, the oldest of 6 children born to Robert Luther Beller and Mary June (Blalock) Beller. He was raised in Washington and attended school there, but at age 17, answered the call of service to his country. Harold joined the United States Navy, and served his country proudly. At the end of his service, he left Norfolk, Virginia and returned back home to Washington. He worked on the Lamar Ranch and as a surveyor and seismographer for a few years. In the early 1980's, he began working at B & H Construction for his Uncle Robert. Over the next 30 plus years he worked his way up to project manager where his employees and colleagues became not only his friends but family. Harold married his best friend and soul mate, Pam (Vaughn) Roberts on August 11, 2000, and two families joined as one.

He was a hard worker and an excellent provider. Away from work, he enjoyed watching Sooner Football and looked forward to cooking at deer camp. He liked traveling, taking cruise vacations and even quick trips to Broken Bow and Galveston. He mostly liked casinos, and never missed an opportunity to play. Above all, he cherished Pam, his daughters and especially his grandsons. He was a true family man who treated his in-laws like they were his own flesh. He was a wonderful husband and father, grandfather, brother, uncle and a true friend. He will be dearly missed!

He was preceded in death by: his daughter, Krissa Roberts; his father Robert

Beller and brothers Rodney Beller and Leroy Beller.

Harold is survived by: his loving wife Pam; daughters, Jenifer Beller and husband Seth Urbanski of Norman, Daysha Nelson and husband Johnny of Norman and Kailey Evans and husband Trevor of Wayne; mother June Beller of Washington; sisters, Ruby Deaver and husband Kevin of Washington and Vickie Belvin and husband Audey of Washington; brother Mike Beller and wife Theresa of Goldsby; father and mother-in-law, Jackie and Carolyn Vaughn of Washington; Brothers and sister-in-law's, Kim Ellis and husband Toby of Wayne, Mark Vaughn and wife Ashli of Washington and Mike Vaughn and wife Pam of Purcell; his pride and joy, grandsons, Jakob, Greyson, Dayne, Tate, Braylen and Kash; several cousins, nieces and nephews and a host of other family and friends.

“ Harold was not only a hard worker but a close friend. I worked with on a daily basis and even got to spend time with him on the job. There is no better hard worker like Harold. He was a faithful family man who loved his family and his friends. Since I just found out this heartbreaking news - I pray for the family and those that loved Harold the way I did. Save a place for me up there!

“ Harold was a great man. He talked to me more like a son than he did. Anything else and it never changed. He was so peaceful and quiet and straightforward from his heart. Not very many people are like that. Harold had a big heart. He wanted to see everybody succeed and he would do his best to help them. I'll never forget him. I'm grateful for getting to know him. I'm sorry for this world losing such a wonderful man. Harold, thank you from the bottom of my heart. Thank you so much

“ *Pam and family. So sorry for your loss. I know you lost your best friend and love of your life. I pray for you and your family. I want to say it gets better but it doesn't, you just learn to deal with it. You learn to deal with it your way only. No one can say I've been there. We are all different and your grief is different than anyone's. Just take it a day at a time. Love you.*
