

## James T. Conway

May 16, 1938 - March 26, 2025

James Conway age 86 of Noble passed away on March 26, 2025 in Norman, OK. James T. Conway was born on May 16, 1938 in Hereford, Arizona to Timothy and Carol Conway. He was orphaned at a young age and grew up on horse and cattle ranches in Arizona and eventually made his way to Oklahoma. He met a young lady named Roszella and they quickly fell in love and were married on April 22, 1974. James became a father of five, and his life never felt more complete. He moved his family to Ohio and Pennsylvania for a time, before returning to Oklahoma for a good many years later. James had truly done it all- he worked in steel mills, construction, rail road scrap, military supply, and real estate appraisal. In his spare time, he loved wood working. He made intricate doll house furniture for his girls, and hope chests that they have to this day. He was an accomplished author, poet, and songwriter with several books in print. He was never satisfied with good enough and always sought out chances to learn new skills and have new adventures. After the passing of his dear Rose, Jim found another true love in Dorothy "Dee" and they were able to spend many years together before she earned her Angel Wings. James will be dearly missed by all those who knew and loved him.

He was preceded in death by his parents Timothy and Carol Conway. His wives Dorothy Conway, and Roszella Conway, and his son Kenneth Shultz.

James is survived by his children Debbie Zec and husband Mike, Crystal Miller, Raymond Conway and wife Kelly, Kathy Kabariti and husband Michael, and daughter-in-law "T" Shultz. He also leaves behind 12 grandchildren, multiple great grandchildren, and a few great great grandchildren.

Funeral services are scheduled for 10:00am Friday March 28, 2025 at Little's Chapel with burial to follow at Noble I.O.O.F Cemetery.
