“ Janet was a beloved cousin, along with her two sisters. We lived in Florida, but every other summer visited our relatives in Oklahoma. Like her mother, Mildred, Janet was a wonderful hostess, and always made our visits fun. Hoping you have been reunited with all our family members. You will be missed. Love, Veronica

“ I loved Janet! She was such an awesome person. Once while visiting I commented that I collected rocks and she gave me a cluster of rose rocks. It has and will be my most cherished possession.

I enjoyed her piano playing at the Washington Senior Center and singing along

She is missed. Prayers to the family.
