“ There was no one in this world like Jess. She was an amazingly beautiful person who was a Jesus lover, resilient, smart, hilarious, determined, devoted, bargain finder friend who loved her children and her family.
I am so grateful for the time when we first met and I knew I had met someone special. It became a season in our lives when we really got to know each other. She blessed and enriched my life. See you again one day Jess when we will get to worship Jesus together again.
