“ *Becky and I were so sad to hear about Joan. We traveled with Joan and Ken numerous times. So much fun! Riding in a limousine n Chicago Joan asked the car next to us at a stoplight if they had any Grey Puppon(sic) Mustard. She was standing up thru the Limos sunroof...lol. I always wanted Ken and Joan to travel with us. That same trip we went to the Second City Comedy Store. All of us laughed so much! Joan was as entertaining as the comedians. She was never anything but just herself. We loved her so much! So sorry for your loss!* ”
