“ What a impact you had on my life. You always made me feel So loved❤️ We had so many fun rides to church and all the church services together was great. Like Melinda said you always said your job was at the sink washing dishes. I will miss our weekly phone calls, sometimes laughing and sometimes crying. You always said you would pray for me. I love you more than you will ever know! See you soon!

“ My condolences to all of the family. I had the privilege of meeting Mrs. McNutt several months ago when her son and my friend Kenny had brought her to our church, she greeted me with the warmest smile and I knew right then she was a special lady. I'm Praying for comfort and peace for the family during this difficult time.
