

Jolie Jean Crick

November 23, 2004 - July 16, 2021

Jolie Jean Crick--daughter, sister, friend, died on Friday, July 16, 2021. She was 16 years old and a junior at Norman High School. Born on November 23, 2004, to Deedra Crick, Jolie was like most kids her age, trying to make sense of life. Jolie was an engaging and social teenager who loved sports nearly as much as a good book. She played softball and volleyball; she loved her country music and reading poetry. As a young woman, with both passion and an intense sense of empathy, Jolie was also subject to depression, which she battled courageously. Jolie accepted Christ into her heart, and was baptized at Goldsby Church. She loved her church family, and looked forward to worship, and she entered Heaven with a full heart.

She is survived by her parents Chris and Deedra Owens; siblings, Koi Bohanon, Raelyn Bohanon, Caden Bohanon, Michael Owens and Austin Owens; Grandparents, Michelle Poole and Bob Gann of Newalla; Clint Crick and wife Lisa of Midwest City; Great grandmother, Bernice Cooksey-Sliger of Spencer; Uncle Quinton Poole of Newalla and a host of other family and friends.

A Celebration of Life Memorial is scheduled for 11:00 A.M. Monday, July 26, 2021, at Goldsby Church. Send online condolences @ www.wilsonlittle.com.

“ *Just a few years ago, I was so grateful to have had the pleasure of meeting this beautiful girl, who was truly beautiful from the inside out!! Jolie was not just a huge ray of sunshine, she was the entire sun, shining across every persons life that she ever came in contact with! She changed my own aspect of the way I looked at life itself, just by getting to see her smile and hug her, every time I saw her, and being able to feel how much she loved being around her Father, siblings, and friends she grew up with! She was always so happy when I got to see her, and she was such an inspiration to every person who was lucky enough to have met her! She was a very special person to all who knew her, and I feel very blessed to have known her!! I will think of her every time I look up at the sun from this day on, and will know she's shining down on all of her friends and family from up in Heaven!! I know she will be so greatly missed by all who knew and loved her!! RIP SWEET JOLIE...until we all meet again!!!*

“ I am still in shock that this precious soul left us too soon. I remember when Deedra was pregnant with Jolie and all the heartburn she had. I am so sorry that I didn't get to know her as well as others, but I know she touched a lot of people. We will see her again when it is our time. I take comfort in knowing she is with her heavenly father and watching down on all of us. Love you all

“ Jolie~ My heart shattered and the world seemed to get a little more dim after hearing of your passing. The light you shared with so many is gone way too soon. I absolutely adored you (and your freckles too) from the first time we met. You were such a force already that there would've been nothing stopping you once you realized who you were. Sadly, the world will never see the great things you would've no doubt accomplished.

"Angie", you left your mark on my heart and you will be forever missed. I'm so sorry you felt the heaviness, of this world, at such a young age. I wish you hadn't. You are forever in my heart. I love you, sweetheart.

My deepest thoughts and prayers are with your family and all of those who knew and loved you as I did. I can't imagine what your momma is going through right now; praying for our Father to hold her close and tight in the coming days, weeks, months even years until she can breathe again without you here. I pray for peace and comfort and understanding in this moment of great loss and sadness. I am so, so sorry for their loss.

Father in Heaven, I pray that you will hold this family and all her friends as they walk through this painful moment in their lives. Father, I ask that you surround those who knew and love her with a myriad of angels especially ESPECIALLY the most fragile and vulnerable. I ask that you surround each of them with angels who will comfort them, love them and continue to watch over them for the rest of their lives here on earth. Thank you for the short moments I got to spend with your beautiful daughter, Jolie. She always made me smile. In Jesus name I pray, ~Amen.

Jolie, I know your heart is no longer heavy and your light is even brighter where you are now. I pray this loss isn't for nothing. I prayer that God will see to it that your life will help save another upon

hearing of you, sweet girl. I had a hug for you and I'll hold onto it until I see you again. And I will see you again, kid. I love you!!

*Always & Forever
your friend,
~Jennifer*

“ *Deedra, sweetheart my heart is breaking into a million pieces right now. I cannot express how sorry I am for your loss, no words can ease your heartbreak and I cannot imagine how you feel. You have been a true friend to me the past year and a half as I journeyed through my own grief of losing Joshua, and I truly truly want you to know that regardless of the time or regardless of your needs, I will be here with open arms. Your family is in my prayers, and again ANYTHING you need for your family or yourself just call me. I love you girl 🥺🙏*

“ *Jolie was a beautiful, intelligent, helpful and witty girl. She was always there to help with the 3 and 4 year olds in church with a positive attitude. She was a light to her church family and she made my 7 year old daughter feel special and protected. She is loved and will be missed by so many.*
