April 1, 1946 - March 11, 2026

Kenneth Ray Herron, age 79 of Moore, OK, passed away Wednesday March 11, 2026. Born April 1, 1946 in Mountain Valley, AR, he was the 4th of 5 children born to Willard Wesley Herron and Lela Pearl (Masner) Herron. He was raised primarily in Madera, CA. They fell in love and were married on January 3, 1971 in Purcell. Kenneth worked as a sheet metal mechanic at Tinker Air Force Base, before being medically retired for a back injury. Away from work, he enjoyed being outdoors, family lake trips and especially just being in the water. And whether it be swimming or scuba diving, he was in his natural element. Kenneth cheered for the OU Sooners, mainly because it was Beth's favorite team, and he cherished his fur babies, Ellie and Max.

Kenneth's greatest joy was his family. He cherished his girls, Beth and Andi and especially his grandchildren, Parker and Shelby and greats, Louise and Greta. He will be dearly missed!

“ I have alot of good memories with Kenny and Beth. We would drive from Arkansas and spend the weekend with them. We would meet him and his Brother Jerry at Lake Ten Killer and stay in a cabin that they rented for the weekend and go out on the boat for the day. We always loved being with Kenny and them. The first time we went to Ten Killer my husband and I stayed with Kenny on his pontoon boat, one night it stormed and he found a place to get under, but he still got wet. I Love my cousin Kenny so much and there are so many memories. I Love you Beth and I'm so sorry he's gone.
