

Kent Wells

November 27, 1956 - May 31, 2022

Kent Wells, age 65 of Lexington, passed away unexpectedly Tuesday, May 31, 2022. Robert Kent Wells was born November 27, 1956 in Purcell, Oklahoma, the older of two children born to Robert Glen Wells and Barbara June (Howerton) Kelley. He was raised in Lexington and attended school there graduating with the Bulldog Class of 1975. Right out of school, Kent joined the family business, alongside his mother and step father Kenneth Kelley, and his sister Lisa. He started with the basics, and worked his way up throughout his career. For more than 40 years, Kent worked in this industry, and he worked the majority of that time for Fowler Toyota, before retiring in 2014. Kent was a lifelong Lexington resident and raised his family there. He married young, to Carla Edgmon, and to this union two children, son Kyle and daughter Callie were born. Away from work, Kent enjoyed sports. He played golf and cheered hard for the OU Sooners. He stayed active coaching both his kids in little league, as he was their biggest fans. His love of sports only strengthened when he became a PaPa to Drake, Kyleigh, Journey and Cambri, and he greatly enjoyed chasing them from activity to activity. Kent cherished family time, and whether it was playing cards, or weekend trips to Lake Texoma, he looked forward to it. He was a wonderful son, father and grandfather, brother, uncle and friend. He will be dearly missed!

He was preceded in death by: his father, Glen Wells; step father Kenneth Kelley and sisters, Lisa Hadley and Lawanna Lopez.

Kent is survived by: his mother, Barbara June Kelley of Lexington; son Kyle

Wells and wife Kalle of Lexington; daughter Callie Henry and husband Brandon of Pauls Valley; sisters, Marie Drivere of Norman and Tonja Veatch of Palisade, CO; his grandchildren, Drake, Kyleigh, Journey and Cambri and a host of other family and friends.

“I'm very, very sorry to hear about Kent's passing. Just 21 days after Lisa's death, same day, a Tuesday. Not a coincidence. Someone supposedly knowledgeable of the Bible once told me, only certain people's time to go is preordained. Personally, I believe everyone's time to go is set in stone. Like Lisa and Kent. As for memories of Kent, I just remember a GIANT, walking down the hallway, Lexington High School. He was so far above me, pardon the pun. A star. Their destiny continues, Kent and Lisa, no longer restrained by physical reality limitations. I guarantee you, Kent and Lisa are kicking butt and taking names.” ~ Terry Tilson

“Kent was a great boss and mentor to me. His knowledge and training made me a successful parts manager. We loved going fishing with him because he knew exactly where to fish on Texoma. We always had a good time with Kent. He was a very good guy and will be greatly missed.”
