

Kyle Harper

June 3, 1968 - April 9, 2023

After an extended hospital stay at OU Medical Center, Kyle Harper, age 54 of Purcell, entered into eternal rest Sunday, April 9, 2023 surrounded by his family. Timothy Kyle Harper was born June 3, 1968 in Purcell, OK. Kyle was raised in Purcell and attended Purcell Schools K-12th grade. For two years of high school he also attended Vo-Tech. He was an apprentice for Trogon Electric, and also worked numerous side jobs over the years. Kyle was a private, quiet man and a great listener. He enjoyed spending time outdoors; camping, fishing and swimming. He was fun loving and witty, loved playing jokes and enjoyed a good dare. Kyle was a good friend, always there for you, and very protective of his family. Although he never had any children of his own, he was especially close with his nieces and nephews, and great nieces and nephews, and he made it a point to be involved in their lives. Kyle cherished his mother, and was never shy about the fact that he was a mama's boy. Barbara remembers her son with great joy and love, the man who will forever be her little boy. Kyle was a man of great faith and most peaceful at prayer time. He was a member of the 9th & Pierce Church of Christ. We will miss Kyle every day until we meet again, but we have such comfort in knowing he is completely healed and free from pain!

He was preceded in death by: his father, Howard Gale Harper; sister, Andrea Gale Harper Cole; two cousins, Melissa and Cody Norman.

“ Kyle was one of my favorite grade and high school friends note we really had many laughs driving our vo tech teacher to lose his temper.lol. what I remember most about Kyle is no matter what we were doing he was always laugh at things only he could imitate. His greatest joke was before call I D. We would call people at random and he would act like he was the Avon lady and tell the person on the line he was coming by to give free samples. They would politely have a reason they weren't interested lol but Kyle was the best on pushing the conversation. He was the 1 st Roy d. Mercer there ever was. I'd do anything to have had all those calls recorded. Love u Kyle Harper thanks for all the good times. God bless u and your family. Michael
