“ I just know that on September 25 there was a celebration in heaven. Larry was a dear friend of mine, we worked together for many years. I will miss our daily conversations, our laughs and cry's. I will miss you. I'm at peace knowing that you don't have to suffer anymore but let me tell you something people like you rarely exist. Such a kind sweet person. You knew I would struggle with this one. I love you dearly and I am grateful for the time I have known you and for the friendship we had.
