Larry's loved ones are deeply grateful for the love and support from Keith and the entire Metro Surfaces family, he cherished each of you.

Like his father and siblings, Larry never met a stranger. He was a friend to many, he loved deeply, and in return, was deeply loved. He also had an infectious laugh that you simply could not ignore, a sound that will echo on in the hearts of those who knew him. Larry had strong faith, and in the final moments of his life, he was at peace, having lived with no regrets.

Thank you to all who have prayed and helped the family over the last 6 years, we do appreciate each one of you. We are especially thankful for the doctors, nurses and other caregivers who were compassionate, caring and above all patient with him.
