“ Lynneann,  
*I am so sorry for your loss. I can not imagine what you are going through but know that you are in my thoughts and prayers everyday. I wish there were words that would make it easier for you but no words can take away the hurt and pain of the loss of your son. Leo was such a blessing when we were all running around together. He always made me laugh. He will be truly missed. I love you and Tamra! May God help you through this and give you the peace and comfort only he can give. If I can do anything let me know. I am always here for you.*  
Love you,  
Donna Bain.

“ *This is just so heartbreaking, and it's still a shock, unbelievable... I feel like at any time you're going to walk in the door and say you're famous word "whoopdibam", R.I.P leo I love you buddy..and "you won't have to share your massage chair with Levi anymore". Good byes are not forever, Good byes are not the end, they simply mean I'll miss you until we meet again.. Prayers for everyone.*
