“ *Lillian was my grandmother and it still feels like I can just walk into her home and give her the biggest hug in the world. It feels fake that she is gone and I can't believe it's been a month. I love and miss her so much.* ”

“ Lillian was so special to my mother and myself. Having a beauty shop just a short distance away was heaven. We loved getting our hair cut and colored there for years. We also loved sharing our party line (telephone). My brother Darrell, Janet (her daughter), and I were like stepping stones in age..we rode the school bus together and grew up in such a magical time. I also admired Lillian because she was a working, independent, self-confident woman. She represented what I wanted to be and greatly influenced my life goals. I am thankful I knew Lillian. I am also thankful for all the happiness she brought to me and my sweet mother. Mom lived to be 96. Thank you, Lord, for giving this earth such glorious women! You will be missed Lillian and never forgotten.

“ *Lillian was such a blessing our family. Her outstanding service in her position as bailiff will be remembered by everyone who came to the courthouse. She was also a wonderful personal friend to us. At Christmas time we do fondly remember the Aunt Bills candy she made for us each year. She will be sincerely missed by all who knew her. We will not be able to attend her service, but she and her family will be in our prayers.*
