“ I love and miss you my precious and dear cousin. We had so much fun when we were young. Raised together as sisters. I miss you. I wish you were here. I still need you to talk to. You have always been special to me and you knew this. We had a bond that could never be broken. It wasn't just family ties. It was a closeness that we felt every time we were around each other. Stay tuned in girl. I'll still be coming to ask for advice or just a ear.

“ I have never forgotten Paula's kindness towards me. I was always welcome and safe in their home at a time in my life when I wasn't safe or cared about in my own.
