

Mark Turbyfill

April 13, 1941 - April 17, 2023

Mark Q. Turbyfill, age 82, of Blanchard passed away peacefully at home on April 17, 2023. Mark Turbyfill was born on April 13, 1941 in Sulphur, Oklahoma, the youngest of 3 children born to Ben Turbyfill and Freeda (Cambell) Turbyfill. He was primarily raised in Madill where he graduated with the Wildcat Class of 1960. Shortly after graduating high school, he went to work in the automotive industry doing paint and body repairs. He truly enjoyed what he did, and it became a great passion of his. A little while later, Mark was introduced to Verna Collett by his best friend. They met in January of 1975 and were married in August of that same year. The two raised three beautiful children together, Shanna, Marcus, and Grant. Throughout the years, his passion for paint and body work led to him being able to open his own shop- Mark's Paint Supply. Not only did he love what he did, but he was successful at it too. They were able to expand Mark's Paint Supply having multiple store locations, one in Oklahoma City and one in Lawton, where he eventually retired in 2008. Mark was a hard working and determined man. When he wasn't working at the shop, he could be found working cattle at Turbyfill Ranch. Whatever he set his mind to, he accomplished. More than anything, Mark was a family man. He loved spending time with his family, especially his grandchildren. He never missed a chance to cheer them on at any sporting event they had, and he truly cherished every moment with them. Mark was such a good man, so beloved by his family, but now he is where he longed to be- in the open arms of the one he loved the most, Jesus Christ. He will be

dearly missed!

He was preceded in death by: his parents, Ben and Freeda Turbyfill; his sister, Gelene Cambell; and his sister-in-law, Clarice Turbyfill.

Mark is survived by: his loving wife, Verna Turbyfill of the home; his daughter, Shanna Houston of California; his sons, Marcus Turbyfill and wife Timi of Blanchard and Grant Deason and wife Lisa of Goldsby; brother, Clee Turbyfill of Choctaw; brother-in-law, Bill Cambell of Middleburg; 6 grandchildren, Marc Turbyfill, Chase Turbyfill, Madison Deason, Taylor Deason, Noah Deason, Evan Deason; several nieces and nephews, and a host of other family and friends.

“*Heartfelt condolences to all the family. Uncle Mark was definitely a successful man in many ways with his paint shops, cattle farm and family. His family was so very important to him and as a child growing up around him, I know he treated my brother and me just like one of his own. I have so many memories of riding motorcycles and the infamous dune buggy all over that ranch. He was definitely genuine and a man of God.*

“*My thoughts and prayers go out to Verna, Shanna, Grant, Marcus, and the entire Turbyfill family. As a kid, I had the pleasure of getting to spend a lot of time around "Uncle Mark". When my dad worked with him at the auto body shop in OKC, I would often get to go in to work and hang around the shop and watch them. And I remember some great times riding motorcycles down on the South Canadian river. I have many other great memories. As my dad said, he was very smart and ingenuitive. But the thing that I remember most....he was very kind.*
