Mary Lee, age 81 of Kingston, and formerly of Lexington, passed away Thursday, August 4, 2022. When she wasn't working, she enjoyed yard work and tending to her flowers. She looked forward to family camping trips and never missed a good garage sale. In fact, Mary was a professional shopper, she liked her jewelry and loved finding a good bargain. She was a wonderful mother, grandmother, sister, aunt and friend. She will be dearly missed!

“Granny,
You were truly a selfless person. A true definition of a Godly woman. I looked forward to spending time with you every chance I got. I looked forward to going shopping with you and on lunch dates. To our phone calls and selfies. Thank you for everything you did for me. You did so much for me. Thank you for always looking out for me and being protective of me. I am beyond proud to call you my Granny. A part of me is gone but the void in my heart is filled with cherished memories of one of my best friends - My Granny. I will continue to love you and cherish you forever. Love Sis.

“It was always, always a pleasure to see and visit Mary Lee! Her sense of humor (you could see it in her eyes!) was wonderful. She was a classy, caring person with a fierce love of her family! The world is a better place to have had Mary in it making a difference, making memories, loving her family.
