“ I remember Dee and her smiling face and her sweet personality. She was a kind generous woman, who kindly gave away all of her special talents to everyone. My favorite talent of hers was her beautiful wedding cakes she made, and her fun birthday cakes for our families. Her cakes tasted better than any bakery cake. She must have had a secret recipe, and it was a great one. Dee had beautiful children and grandchildren. Some times we would be with all of them at their church and at the grand kids little league baseball games. The little league baseball games were so much fun. Dee's family was fortunate to have her as a wonderful Mother, Grandmother and Great-grandmother. Ken, her loving husband, will miss Dee more than words can say. Gary has many family memories of Ken and Dee and their kids growing up. He talks often of Ken and Dee's family with funny and fond memories of their times together. Gary knows Dee was a wonderful person, and she will be missed by Ken and all her family. Donna and Gary Maynard

“ Praying for sweet peace and comfort in this time of loss. You know your mom is in the presence of our Lord! Hallelujah! Your mom welcomed us in like true family for so many years of Sundays after church! Pizza was our favorite lunch. Our boys loved pepperoni 🍕 the best!! Your mom would roll out the dough and we would all get to put on our favorite ingredients. We always had flour everywhere! I love having those precious memories of being in her home full of love and laughter! There was plenty of that to go around. I'm sending a huge hug to all of you for sharing her with us!

“ I remember the first time I had homemade pizza, Cindy invited several friends to her house and her mom made pizza. It was so delicious. The Maynard's were always so welcoming and hospitable.

*I remember coming to church after I had been out of state many years and Dee always gave me a hug and made me feel welcome.*
