“ Randy was such a great man. He loved the Lord with all his heart. A kind and compassionate man with a huge heart for his family and friends. When they were hurting, he was hurting. Randy would help anyone that needed him. His physical strength was gone but his determination and love for life made him get up everyday and push through the excruciating pain he was in. It is so heartbreaking to watch someone you love suffer so much for so long. Multiple Myeloma is evil, but he pushed through and came out on the other side. I am so thankful that God put him in my path. He gave me some of the greatest years of my life and I will never have another friend like Randy. I am so proud to have his name and so thankful I will see him again in heaven. I love you Randall Lee Kirkhuff.
