“Randy was like my brother and a very dear friend. We were cut out of the same cloth. We had the same likes and dislikes. We were always in cahoots. What I didn't think of, he did. If he was your friend, he was your friend for life. He was my right hand man! He was always there for me! God granted him a brilliant mind. He was the best mechanic in the whole wide world. He could drive a car for ten minutes and diagnose the problem! He was everything to me. He'd bail me out if I was in a bind, fix my mowers, cars, and my motorcycle. He moved me more times than I care to count. He loved his boys with all his heart! He loved good home Cooking! Our mothers' food was excellent, but Granny's could top that! Randy buried all my dogs I've lost and conducted services and said eulogies and prayers for me and completed with Southern Gospel songs. He loved to sing gospel music to Aunt Jo Jo and she loved it! He loved being a dad and he loved his boys so much; always bragging on them. He loved getting to play alongside his boys and taking them on vacations. He enjoyed vacations so much. He constantly told me how much he appreciated my mother letting him go on vacations in our station wagon with us as we were growing up. He was so intrigued traveling the countryside! He never forgot that! The main fight we usually had was who loved whom the most! I'm missing him so badly all ready. Tell our loved ones how much I love and miss them. I want to tell Randy's boss how much I appreciate him for being so good to him. And for all his friends, and especially Deanna and his church family from the Noble country church. He loved y'all. And thanks to sister Robin's preacher for visiting him in the hospital and getting him to be excited to be in church again! I will always love you, Randy 🗨️ 🌹 🌟 🌟 🌟 🌟 you're my shining star! You're the bestest and brightest star!
