

Richard Leroy Davis

December 2, 1970 - March 5, 2022

Heaven gained, perhaps one of its biggest crusaders, on Saturday afternoon, March 5th. Richard LeRoy Davis, "Richie" of Newcastle, OK never met a stranger. His true joy in life was Jesus and he never met one person that he didn't tell about his Jesus. He served in his church faithfully in any capacity he could. He may have been 51 years old physically, but mentally he was perpetually 12. Because of this, Richie knew absolutely no division of persons. He loved every single person he came in contact with. He loved his family and Gospel music. He loved Thursday afternoon pop runs, Bonanza and John Wayne. He knew something about everything. His child like wonder and utter faith & belief in the Lord, and un-deniable tenacity to love people the Lord's way, is a lifestyle we could all only pray to achieve in our lifetime. The earth lost a man that was the most "known", yet humble man I've ever met. But heaven knew his name long before he ever entered those gates. Richie, you left a legacy and impact behind, far bigger than just any one man. Anyone that looked at you knew that you walked with Jesus and I know that's all you ever wanted. Our hearts are broken but yours is filled. 2 Corinthians 5:8 "...to be absent from the body, and to be present with the Lord."

“ *Richie was the most loving and humble person that I have ever known. He was always wearing a smile and genuinely interested in whomever he was talking with.*

There were no distractions for him. If he was speaking with you he was concentrating on you and not thinking about the next phone call or rushing to get somewhere else. This works would truly be a better place if everything was just a little more like Richie. He will be missed. His family was blessed to have him along with everyone who ever had the privilege of knowing him.

I know that his parents, brothers, sister-in-laws, nieces, nephews, aunts, and cousins are missing him but are comforted in knowing that they will see him again in heaven.

“ Richard and Alta Davis, this is Terry, I hope you remember me! I Always see next to Ritchie there in the back and I enjoyed it. I looked to seeing Ritchie every week, he always greeted me at the door! I have missed this over the last 2 years since my accident at the church that Sunday night. I have been bed ridden since and if it wasn't for the weekly over the air services, I would go nuts! I cannot say anything as I still miss my Mom Bonnie and no words can help! I hope to somehow get back to church someday. It will not be the same without Richie! I hope you remember me if not that's alright because I will never forget Richie! Terry. PS if you ever need to screen or let loose. You can call me at 405 565 2386. The wife got me a cell phone! Terry

“ Richey was always pleasant and friendly to our entire family. He was one of the first people I met at Southwest and always brought a smile and joy. He truly will be missed. May God be with you and comfort you all.

“ Richie was a wonderful young man that always had a smile to share. I loved his stories and his generous love for Jesus. He shared Jesus with everyone-even at garage sales! My prayers are with his precious family. ❤️
