“ I am sorry to hear of Mr. Gray's passing. Unlike many another "big man in town", he showed great kindness to me when almost no one else would ever have seen it and it could not benefit him. He was a model of selfless Christian love and manhood. I will smile when I remember him.

“ Such a caring, and giving family. Richard was always patient and willing to teach me new things when I worked at the drug store. Richard showed my family kindness many times. I remember that he loved to laugh. I appreciated his kindness.

“ *I'm sad to here the news of the passing of my friend, Richard. He did so much for me, beginning with my training as a Pharmacy Intern at Kennedy Drug Store. He taught me the value of being a caring pharmacist and an astute businessman. He was also instrumental in helping acquire my first assignment in the Army's Medical Service Corps. I will be eternally grateful for Richard's influence in my life. I will truly miss him. My condolences to the family.*
