“ My deepest condolences to the entire family. I graduated with Rodney's brother Robert in the Class of 1978 and although Rodney was much younger than we were, he was always the sweetest presence at the family home when we girls would go over to see Lillie for our measurements and try on's while Lillie made our cheerleading outfits. i remember him as the cutest little tiny tot with the blondest little hair and so funny. My heart is so heavy for you all. May our Heavenly Father comfort your broken hearts and give you peace in the days ahead.

“ Rodney was a great husband, father, son and friend to all.

Just a good dude, which is something I hope people might say about me. But, Rodney epitomized it.
