

Roger Groff

June 30, 1972 - August 3, 2023

Roger Groff, age 51, of Wanette passed away unexpectedly on August 3, 2023. Roger Dustin Groff was born on June 30, 1972 in Purcell, Oklahoma, the baby of five children born to Maurice Allen "Buddy" Groff and Shirley Sue (Davis) Groff. He was primarily raised in Wayne, Oklahoma, where he attended schools and graduated with the Bulldog Class of 1990. Shortly after graduating high school, he enlisted into the United States Marine Corp. Throughout his time as a Marine, he obtained the rank of Sergeant and served his country proudly. One of his greatest accomplishments in life was becoming the proud father of his three boys- Kaelan, Riley, and Brody. They shared countless memories that will forever be cherished. A little while later, he decided to go back to school to further his education. He obtained a Master's degree at the University of Oklahoma, and this is where he found his calling to pursue a career as a social worker. He worked for several years at Central Oklahoma Family Medical Center until 2013, and more recently at Journey Therapeutic Services, touching the lives of many. Roger later met his companion and life partner, Katie Jones, and his lovely step-daughters, Madison, Jolie and Jorja. Roger was driven and dedicated to working hard every single day. He was very outgoing, and was always the life of the party everywhere he went. His goofy personality was infectious to everyone around him. Roger was always accepting of others, which is what allowed him to impact the lives of so many. More than anything, Roger was a family man. He loved spending time with his family, and truly cherished every moment with

them. Roger was a loving father, step-father, PaPa, brother, uncle, and a true friend. He will be dearly missed!

“ Roger was there my entire life, when I had a bad day he was always there to make me smile and laugh. He was a great friend, dad, son, brother, nephew, and uncle, he was loved by all for his funniness and jokes. He was there for when anyone needed him and he always told the funniest stories. Other people would say he was crazy and some people who were close to him would say the exact same thing. He was crazy but the right kind of crazy. He is missed and loved by all who knew him. I love you Roger and we miss you.

“ I did not know Roger my whole life, but he was there and he was present. Roger and mom taught me a lot of things growing up like how to w change a tire, how to drive, to shoot a gun, which snack cakes taste the best...but Roger also taught me to enjoy the small things growing up. Even though I only saw him in the summers and lived there for a short while, Roger always tried to spend time with us - whether if that meant looking for wild cats in the dark, him showing me his hot wheel collection, or any of the cool things him and mom found driving around. I know I didn't see him a lot, but I did and will always love Roger. He was an amazing, silly, and intelligent man who I will always think about.

“ *His Uncle Prescott and I were married 1 month and 11 days when the most beautiful baby boy was born. That was Roger Dustin Groff. He grew up to be one handsome man. We were not around him much at all but he always treated us like his family when we were able to see him. His good looks were shared to his 3 sons. We were so sad to hear of his passing. Our hearts were broken. We will not say good-bye but see you soon. We love you Roger. Rest in peace sweet man.*
