

Ryan Morehead

June 2, 1998 - October 12, 2021

Ryan Ray Morehead, age 23 of Newcastle, entered Heaven's Gates Tuesday, October 12, 2021. He was born June 2, 1998 in Norman, OK, the younger of two children of Ray and Sheree Morehead. Life for Ryan was challenging at times, as a non-ambulatory and non-verbal child with special needs. But Ryan was an overcomer, and met every challenge with incredible strength, and with a little help from his family and friends, he excelled. He was strong willed, and although labeled non verbal, he was very vocal and unique in the way he communicated his likes and dislikes. He loved being at home, close to his parents. Ryan was a foodie; a big eater who looked forward to milk shakes and other favorites. He loved his classmates, who were more like his siblings, and was blessed with a wonderful school community. Ryan had many that helped him achieve his high school diploma from age 3 thru 21 years old. He was so proud to graduate with the Racer Class of 2020. Like most kids his age, he was an avid sports fan. He enjoyed NASCAR and cheered hard for his OU Sooners and beloved Racers. Ryan loved big, and blessed anyone who was fortunate to know him, and he filled our hearts with hope and joy. Rest well Ryan. You have finished your course!

He was preceded in death by his grandparents, Jim and Linda Cook.

Ryan is survived by: his parents, Ray and Sheree Morehead; sister, Nicole Real of Lampasas, TX; Nephew, Colby Baxter of Weatherford and Niece,

Hannah Real of Newcastle, and many other family and friends who have been there for him.

Funeral Services are scheduled for 10:00 A.M. Friday, October 15, 2021, at First Baptist Church, Newcastle. Burial will follow at the Newcastle Memorial Gardens. Send online condolences @ www.wilsonlittle.com.

“ I lived next door to Ray and Sheree when I remember came and knocked on my door and said....Come look, Ray and I have something to show you! They had just brought Ryan home from the hospital as a baby! She told me about his illnesses and conditions. This little boy probably didn't have much of a survival rate, but God had a different plan for him! Ya see, God had these 2 "earthly special angels" named Ray and Sheree and lead them to Ryan. There are no coincidences in life, only answered prayers. Not just any couple or parents could have pulled off this Ryan's destiny! It took an act of God and thats exactly what happen and how it went for 23 years for Ryan! He was out on loan to the Moreheads until the Heavenly Angels needed him back in Heaven. He was not only cared for and loved unconditionally by Ray and Sheree, they did it with class and dignity and humility and created an environment for Ryan that was the closest thing to where he is at now...Not every child get a chance to experience Heaven in two form, but Ryan did! He was in Heaven every day of his life here on earth with his family and now he has returned to his Heavenly Father where for the first time in his little life, he is talking and walking and I'm sure the first thing he told God was "thank you" for my amazing daddy and mommy and my sister Nicole! My heart is saddened for my dear and special friends, the Moreheads, but I'm so happy for Ryan and his new home and new body made whole...I love you Ray and Sheree and Nicole...Prayers for you all....JO

“ Ryan, thank you being there for us when most of us needed guidance. For me you showed me how important everyday is and that arguements among family are such a waste of time. When I grow up I want to be just like you. I want to be able to make others smile and laugh as easily as you did. The excitement and pride that Ray exhibited when he made a new contraption for you was a wonderful example of the love you had for each other. The time and effort Sheree put into the battles for anything that she felt you were entitled to and weren't getting, again that was one small way she showed her love for you.

No question you were and always will be one of the most precious gifts that any of us could ever have received. Ryan, thank you for being there and helping us through life.

When I grow up I want to be just like you.
