Sammie Lee Henry, (known as "Grumps" by family and friends) age 74 of Maysville, passed away Saturday, March 13, 2021, at Norman Regional Hospital. “ Was saddened to come across Sam's passing. I worked for Sam, as a contractor, in the 80's. We had both been in Liberal so we hit it off and were in touch until I went overseas in the late 90'. Sam was as good as they come and I enjoyed every minute of the time I spent with him those years ago.

“ Enjoyed working with Sam several years in Liberal, KS before he went to work for Anadarko. Naturally, some time was spent on the golf course and in the company tournaments. Sam loved to cut up, tease and have fun even if the joke was sometimes on him. We worked in a small department called Well Testing and it was a close knit, fun bunch to be around. We had a going away party for him in a nice local restaurant when he was leaving for Anadarko. He received some nice gifts and this one guy gives him a wig (Sam starting to bald) and it was big and hairy and Sam threw that on and wore it and even as we left the restaurant. Our boss laughed so hard that he was wiping tears. Sam just played along and was serious and yet looked so funny. He was loving it! I will tell one on Allen I believe (?). He was playing little league football and his first year. He was a DE, but when the other team huddled in offense, Allen would go over and get in their huddle?? The other coach finally told Allen's coach that he couldn't do that! Sam told that and told that. He thought it was so funny! Sam liked to have fun and I am sure you all are going to miss him. He was a great friend and work was really a joy! My prayers are with all you that are family and friends. May he rest in peace!
