“ Sondra was a great pride to our Clan. Wisconsin is so far that we didn't see her often. She was a joy to talk to. And after my sister passed away Paul and Sondra got into the habit of calling twice a month to stay in touch with this side of the family. I love and miss my sweet niece ❤️. I speak to you in the dark of the night, and always am praying for your 3 children. I love you and wish we had gotten to have more time together. But I cherish the memories that God has blessed us with. Love, Aunt Lillie.

“ I first met Sondra when she came into Ace Hardware in Purcell with Chuck and I commented on her boots. Every time they came into the store after that we would chat. Later I realized that I would occasionally attend the church that her parents attended. When her momma passed away I did my best to comfort her. When my mother almost died she helped me get home to Oregon to see her. Just a few days before she passed away, she and Chuck were in the store and I talked with her as the rest of her family wandered through the store. I told her about my momma (srep-mom) passing away and that I would be flying to Washington for her memorial, and I told her that I found a man that loves me. I didn't know that would be the last time I saw her. I'm proud to say that she was my friend. My heart goes out to her family. I will forever miss her! Until we meet again, sweet friend.

“ Sondra was my landlord. But she was more than that. She was my friend. She helped me to get back on my feet by giving me my first apartment. She gave me a home for my kids and myself. She gave us clothes and toys and a TV and dishes and even food. She knew my love for art so anytime she found a painting she would bring it to me and either let me keep it (if she didn't want it herself) and we would talk about it. I loved her love for everyone she came into contact with. There will never be another person that can come along with the love she had for all of her tenants. Sondra you will be deeply missed.

“ Our thoughts and prayers are with your family at this time. I watched Sondra grow up in church and when she worked at our pizza place. She was always the kid sister I didn't have. Love you and your family as my own.
