“ I loved Terri, I will miss her deeply. We met during their time living in Curwensville, PA. Even though I hadn't seen her in over 20 years, we remained friends and spoke often. I know that she was ready for the pain to end. She was an amazing friend and a wonderful wife and mother. Her family was everything to her. My heart breaks for her family and their great loss, but I am also happy that she is no longer living with such great pain, I know she is singing for Jesus and rejoicing with her family that left before her. I love you Terri.

“ I loved Terri deeply and will miss her greatly. She was a forever friend. Even though we hadn't seen each other in more than 20 years we stayed in touch. I will always cherish the memories we have, the conversations we shared. Her family was everything to her. My heart breaks for the pain they're going through, but I rest knowing she is loving pain free, singing for her Savior, and rejoicing with those who went before her. Rest easy precious friend. I love you.

“ I went to school with Terri. She was my "girlfriend" in 2nd or 3rd grade at Newcastle Elementary. We played on the playground. She was always very sweet, positive and outgoing. This is a tragedy. I just now learned of it and am too far away to attend her funeral.

“ I got to know Terri through working with her at Epic. I will forever remember her sweet nature and witty comments. I hope she's dancing on the streets of gold and learning new pranks to play on people. Rest easy my sweet friend!!!
