“ Tim you were such a unique guy! You were quiet but warm. You loved you Family & Friends very much. But you enjoyed your time outdoors sharing God's beautiful animals & creatures great & small most of all. The gifts of nature, the wind, the Falling leaves in Fall. Tim you were a hard worker from oil to sales you were a ppl. person which I believe made you go on to do various great things in your life! I loved you Tim although I may not have verbalized it, I tried to show it. I loved your Sister like my own! My heart still breaks today that she is not with me anytime I want to be with her! You watch from Heaven now & guard sweet Deb from all evil & injury. I will miss you sweet Tim for you were a good man! RIP Tim 🙏💔😊
